

Digital Citizenship Week 2024: Grades 6–8

Day	Topic	Lesson	Description	Go Deeper
Monday 	Artificial Intelligence	<u>What Is AI?</u>	From using generative AI for schoolwork to dealing with misinformation, help students think critically about this ever-evolving technology.	Lessons: <u>AI Literacy collection</u>
Tuesday 	Tech Design & Well-Being	<u>Digital Media & Your Brain</u>	Tech isn't usually built with our well-being in mind. Help students consider the impacts of tech design and foster their digital agency.	Lessons: <u>Digital Well-Being collection</u>
Wednesday 	Cellphone Bans	NEW LESSON! <u>Taking a Stand on Cellphone Bans</u>	To ban or not to ban? As schools grapple with this question, what better way to address the topic than to hear from students?	Lesson: <u>Positive Tech Habits</u>
Thursday 	News & the Elections	<u>Finding Credible News</u>	With the elections just weeks away, help students think critically about the information they see online.	Lessons: <u>News & Media Literacy collection</u>
Friday 	Privacy & Security	<u>Impersonation & Identity Theft</u>	A lot of what we do online requires having digital accounts. How do we keep those accounts (and our personal information) secure?	Lessons: <u>Cybersecurity lesson collection</u>
