|             |                                                                                                                                               |              |                                                                                                                                        |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------|--------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Teacher     | We, the Digital Citizens<br>With our hands up in the air<br>Pledge to travel safely<br>When we click from here to there.                      | Teacher      | You just need the internet<br>And something with a screen<br>To play an awesome puzzle game<br>Or watch a soccer team!                 |
| ALL         | <b>If you want to see the world<br/>You don't always need a plane<br/>A giant yellow school bus<br/>Or a noisy train.</b>                     | ALL          | So go online and check them out,<br>remember what to do, to do, to do,<br>to do, to do.                                                |
| Teacher     | You just need the internet<br>And something with a screen<br>To see a different country<br>Or a pretty ocean scene.                           | <b>Head</b>  | <b>Always pause and think<br/>When visiting a site<br/>Only talk to friends you know<br/>And never start a fight.</b>                  |
| <b>Arms</b> | <b>If you've never seen a sloth<br/>Or a pic of Auntie Sue<br/>Just go online and check them out<br/>Remember what to do.</b>                 | <b>Guts</b>  | <b>It's fun to have a screen,<br/>To laugh and play with friends<br/>But if it's nice, go outside<br/>And find the rainbow's end!</b>  |
| <b>Legs</b> | <b>Always ask a grown-up<br/>Before you go online.<br/>It's good to set a limit<br/>And keep track of your time.</b>                          | ALL          | <b>If you want to see the world<br/>You don't always need a plane<br/>A giant yellow school bus<br/>Or a noisy train.</b>              |
| <b>Feet</b> | <b>Keep your info private<br/>Like your name and your address<br/>And always find a grown-up<br/>If you're scared or you're<br/>stressed.</b> | <b>Heart</b> | <b>You just need the internet<br/>And something with a screen<br/>To be a part of something<br/>GREAT! Whatever you can<br/>DREAM!</b> |
| ALL         | <b>If you want to see the world<br/>You don't always need a plane<br/>A giant yellow school bus<br/>Or a noisy train</b>                      | Teacher      | Remember that you took this<br>pledge To be your BEST online<br>So stick with the Dig Citizens<br>And together you will shine!         |

**1. Introduce your character by saying  
their name  
and what they stand for.**

For example: Hello, I'm Guts, I only stick to websites that I know. I trust my gut when I'm not sure.

## Week 5

What kind of puppet will you make?

Pick a digcit character and a puppet style!
