SCIENCE TEST TRAINING GRADE 8

Dear Principals and Grade 8 Science Teachers:

Every teacher **new** to teaching the 8th Grade science curriculum should attend the Science Activities workshop **AND** the Science Test Training workshop. The science activities workshop is offered to new and experienced teachers and gives direction in providing labs for their students that would be beneficial in teaching the skills that will be tested on the Science Test. This will also provide an opportunity to share ideas, concerns, and problems with other teachers and hopefully allay many concerns.

All teachers who are **NEW** to the Grade 8 Intermediate Science Test and/or who will be **correcting this test MUST ATTEND** the workshop given in February. You will actually take the performance part of the test that the students will be taking. Directions for setting up the stations and correcting the performance part will be given. Avoid the pitfalls that can occur while setting up the test by participating in this workshop.

We look forward to you being a part of our continuing growth in Science.

Please Note: This will be the **only training offered for Grade 8 Science teachers**. The workshop offered during school hours is reimbursable under mandated service. The after school workshop is not reimbursable.

EACH WORKSHOP LIMITED TO 20 PARTICIPANTS

<p>SCIENCE ACTIVITIES WORKSHOP</p> <p>TUESDAY, JANUARY 8, 2013 3:30 PM to 5:30 PM St. Mel School 154-24 26th Avenue Flushing, NY 11354 Telephone: 718-539-8211 Principal: Diane Competello Instructor: Linda Keppel</p>	<p>SCIENCE TEST TRAINING WORKSHOP</p> <p>Mandatory for new teachers!</p> <p>WEDNESDAY, FEBRUARY 6, 2013 1:00 PM to 3:30 PM St. Mel School 154-24 26th Avenue Flushing, NY 11354 Principal: Diane Competello Instructor: Linda Keppel</p>
